

Teradata Certification July 2021 Newsletter

We hope everyone is staying healthy and safe and thank you for your continuous support of the Teradata Certification program! We have some exciting updates for you!

CITIZEN DATA SCIENTIST PAGES NOW LIVE!

We are so thrilled to provide valuable pathways for analysts to upskill and become more knowledgeable about citizen data scientist [topics](#).

We have received great feedback on the Citizen Data Scientist experience! Here is a quote from one of our partners:

“My organization is thrilled with the FREE trainings offered in the Citizen Data Scientist program; training like this makes the advanced data science capabilities of Teradata Vantage accessible to more of our users.”

Learn more [HERE!](#)

Who are citizen data scientists? Those who use models for analysis and to increase proficiency for their organizations, although their primary job role is not in the field of analytics.

What do I need to know?

Teradata offers FREE training on five key topic areas of interest to [Citizen Data Scientists](#). Teradata recognizes completion of these training curriculums with Citizen Data Scientist topic badges!

INTRODUCING TERADATA VANTAGE DATA SCIENCE MASTERS!

Please join us in congratulating our FIRST Vantage Data Science Masters!

- Christopher Hillman
- Jesse Shaw – external customer
- Kaylee Parker
- Krzysztof Tratkiewicz
- Robert Sievert
- Sharib Hussain – external customer

This is a significant and meaningful accomplishment! We recognize their hard work, dedication, and focus. These attributes, along with their extensive skill set, have culminated in this unique certification.

Vantage Data Science Master certifications are obtained by passing the following exams:

- [Teradata Vantage Analytics](#)
- [Teradata Vantage Data Science](#)
- [Teradata Vantage Data Engineering](#)

Looking forward to your participation!
